2007 BIFD AGM and Conference Weekend

Macdonald Botley Park Hotel, Golf & Country Club,
Southampton, SO32 2UA

The BIFD AGM and Conference weekend for 2007 is to be held at the sumptuous Macdonald Botley Park Hotel Golf and Country Club. Set in the heart of a 176-acre exclusive parkland golf course, extensive leisure facilities and health Spa it all adds up to the perfect AGM location. It is within easy reach of the M3 and M27 (junction 7), and rail and air routes. It is also an ideal venue from which to explore the Hampshire countryside and delightful Solent coast.

Region G are hosting the event, and as regular Journal readers will know, Roger and the rest of the region know a thing or two about organizing unforgettable, fantastic events.

The weekend has been many months in the planning stage to ensure that not even the smallest detail will be overlooked. Payment by installments is available - see the tariff on adjoining page.

Full information on the hotel and its facilities can be found on the web at www.macdonaldhotels.co.uk/botleypark and what a splendid venue it looks too. There is even a virtual tour on the site.
